FROM THE EAST

My Brothers,

Fall weather has come as well as a renewed vigor at our Lodge. We will have one more work day at the Lodge to get it in shape for this winter. Please join us – every work night we have had great fun and fellowship as we work on projects.

Author Zorn was a true friend and brother who passed away earlier this year. He as well as several other of our brothers have passed on to “that House not made with hands, eternal in the Heavens”. On November 10th we will be performing a Lodge of Sorrow to celebrate and memorialize their life. This will be an open meeting and a very touching service. Dinner is served by our most gracious Junior Warden and his lovely wife at 6pm with “Lodge of Sorrow” starting promptly at 7pm.

Where ever Masons meet you know there will be fine food. October 13th will be no exception as we honor all of our Past Masters, 50 year members. This night promises to be one to remember for all those being honored. We will also be presenting the “Pillar of Solomon” medal. This award is given by the Grand Lodge of Arkansas to an individual in our lodge who exemplifies in his daily life what it is to be a Mason.

I look forward to seeing you all during the upcoming events. Until then, I am

Fraternally Yours,
Lynn Beasley
Worshipful Master

From the Secretary

Brethren,

As we look forward to the cooler weather of fall don't forget the warm fellowship of the Lodge. I've been reading several magazines about getting ready for hunting season. They talk of getting your gun ready, checking out the latest new gadget to make you the best hunter and laying in supplies of food. They talk about all the strategies of success in hunt BUT they remind us that regardless of how much game you kill it is the “fellowship of the hunt” that is important. In our busy, fast-paced lives perhaps we've forgotten that relaxing with men that have the same ideals as you, without the pressure of business life is one of the most important reason for living... passing on the tradition. It is much the same for Lodge. While we need more knowledge about our fraternity and it's teachings it is the fellowship that binds us together.

I have received our 2012 dues cards from the Grand Lodge. I plan on sending out dues notices by the end of the week, so get ready to pay your dues. If you have not paid your 2011 dues yet, now is the time! You will receive a letter notifying you of your suspension from Masonry at the end of the year for non-payment of dues... This is your last notice!

Fraternally,
Dick E. Browning, PGM
Secretary
